

# Welcome to year 5!

Miss  
Stephenson

Mrs  
Bibby

## Our Classroom

In our classroom, you'll be seated in table groups so you can work, learn and support each other. We want everyone to feel happy and comfortable where they are sitting, so if you or I feel that your seat isn't the best fit, we can easily move you to a different place.

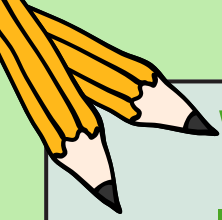

You'll have your own drawer to keep your classroom equipment safe and organised. Each table will also have shared pencil pots filled with useful stationery, so everyone has what they need for learning.

Here is your classroom. Over the summer it will be having a little makeover so it will look different when you return in September.

Your coats and bags will be a similar place in the corridor.

# Welcome to year 5!

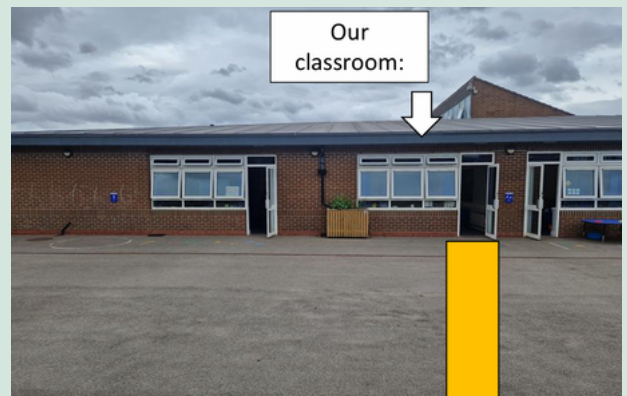

## Places around the school

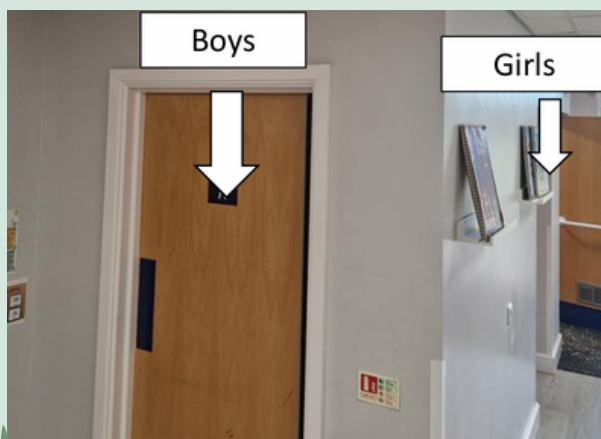

I will always meet you on the KS2 gate in a morning and I will walk you back to this gate at the end of the day where you will meet your parents/carer.

At the start of each day, we'll line up outside our classroom door ready to come in together. You will always have the choice of a 'morning' or 'afternoon' greeting to me, this could be a handshake, high five or even a hug. We'll also line up at the end of the school day, after break time and after lunchtime. This will help us make a positive start to every lesson and keeps everyone safe as we move around school.

We will sit further back in the hall during assemblies.

We will use these toilets. You will share them with year 6.
